## Rere ki Uta, Rere ki Tai Aims to Revitalise Te Taiao with a Focus on the Mana and Mauri of Soil

Three place-based projects have been awarded funding as part of the Revitalise Te Taiao research programme. Paeroa-based Rere ki Uta, Rere ki Tai, a project led by AgriSea New Zealand, has been allocated \$2.7 million to test farming methods that aim to enhance the mana and mauri of the soil across 10 farms.
