A THRIVING OCEAN FOR FUTURE GENERATIONS

Last year over 1100 classes participated in our free guided inquiry!

This year we've made it even better, with new content filmed around Aotearoa New Zealand, so it will relate to your students wherever you live! Join thousands of students as they simultaneously participate in this 21 Day guided inquiry, created by teachers for teachers. It will empower tamariki to create a plan to make a difference in your local area.
